RECTIFICATION OF THE REPORT ON THE DIVESTITURE OF THE 7.5% SHARE THAT THE TEIXEIRA DUARTE GROUP HOLDS IN "LUSOPONTE - Concessionária para a Travessia do Tejo, S.A."

"Teixeira Duarte, S.A." informs that a clerical error occurred in their statement issued today regarding the aforementioned operation, which is hereby rectified. In effect, although both the acquiring entities and the respective number of shares acquired by them are correctly stated, the prices of these operations have been switched around.

Thus, let it be clarified that the correct elements of the two contracts entered into by "Teixeira Duarte - Engenharia e Construções, S.A." in view of the divestiture of the 375,000 shares held in "LUSOPONTE - Concessionária para a Travessia do Tejo, S.A." are as follows:

1. One contract for the sale of 185,625 shares to "Vinci Highways, SAS", for the price of 11,533,500.00€; and
2. Another contract for the sale of 189,375 shares to "Lineas – Concessões de Transportes, SGPS, S.A." for the price of 11.766.500,00€.

As it was a mere switch of the figures, both the overall sale value of the share (23,300,000.00€) and the subsequent estimated impact on the Group's accounting results (€18 million) remain as stated in the previous press release.
